What is Christmas? It is tenderness for the past, courage for the present, hope for the future. It is a fervent wish that every cup may overflow with blessings rich and eternal, and that every path may lead to peace."

~ Agnes M. Pahro ~

## FROM OUR PRESIDENT...

A Very Merry Christmas and a Happy New Year !

I'm praying that we all get our Christmas projects finished. I'm praying that we all have a Healthy and Happy New year. I'm praying that our Country's Leaders will serve all of us Americans in a good way. I saw a painting of George Washington praying, and tears came to my eyes. I want someone like him back.....

I would like to thank each and everyone of you for all the things you've done this year. We all have BIG hearts and that's what makes us strong. The, behind the scenes efforts that we all do, should be noted, also. I know there are many. As president, I am grateful.

Our Christmas Meeting will be fun, with Shirley Solomon playing the piano, the Garden House serving our meal, and the local "Quilt Retreat" teachers giving us a trunk show. As a reminder, if you can, bring a toy or pet food, a canned food item, and little motel bottled toiletries. We will distribute them to those in need.

We had two Team Sews this year and with our Humanitarian Day each month, we were able to provide over 50 quilts to many organizations within the county. Our community thanks you.

Election of Officers Today. Those elected will begin in March.

For our January Meeting, I would like you to bring a photo of yourself, in your younger years, to post on our bulletin board, just for the day, and just for fun. Who knows, maybe we could even make a Valentine to give to a loved one from

it.....  Happy Holidays,  
Julie Patrick

## OUT TO LUNCH...

This wonderful soup is from Kathy Adrian!

Great for the Holidays

### Curried Apple & Buttercup

Squash Soup (Serves 6 – 8 people)

4 Tablespoons butter  
1 medium onion, diced  
1 carrot, diced  
2 apples, cored and sliced  
1 – 2 Tablespoons curry powder (quite spicy, or less to taste)

1 bay leaf  
Pinch of cayenne powder  
3 whole cloves  
1 teaspoon ground cinnamon  
1 qt. chicken stock or vegetable stock  
1 qt. buttercup squash puree (recipe below)  
1 pint cream (can omit, but adjust with stock)

Melt butter in a pot large enough to hold all the ingredients. Add onions, celery, and carrots and sweat (cook slowly turning constantly) until tender, about 10 min. Add the apples and continue cooking for two min. Add the spices and cook for about five min. Add the buttercup squash puree and the chicken stock. Bring to a boil, lower heat and simmer gently for 30 minutes. Adjust consistency with more stock as necessary. Remove from heat and put the soup through a fine food mill. Pour strained soup back into the pot and back on the stove. Bring back to a simmer, add cream, season as necessary and serve.

Garnish soup with crisped shallots or fine diced sautéed apples with a pinch of cinnamon.

### Buttercup Squash Puree

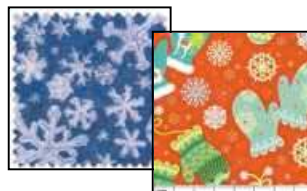

5 pounds buttercup squash  
Salt and pepper  
3 Tablespoons butter  
Rub the bottom of a roasting pan with the butter. Cut the squash in half and scoop out the seeds. Sprinkle lightly with salt and pepper and roast in a 400 degree oven for twenty minutes or until soft. Remove from oven and scoop out pulp when cool. Puree in a blender or food processor.

## THINGS TO REMEMBER.....

**My idea of Christmas, whether old-fashioned or modern, is very simple: loving others. Come to think of it, why do we have to wait for Christmas to do that?"**  
~ Bob Hope, American film actor and comedian.
