TREASURER'S REPORT..

State Bank's reporting cycle is not conducive to our monthly schedule... since I won't have our report in time for the newsletter, I will have to give the treasurers report at the monthly meeting.

Linda

FROM OUR PRESIDENT...

My garden isn't planted yet, but my flower pots are, the humming birds have almost finished off an entire bottle of concentrated nectar, the water is running in the ditches, and from my house, I can hear the water running fast in Coal Creek. Summer is here. Last month we were complaining about the snow and this week we are complaining about the heat. We have skipped spring, but that's ok, I'm tired of the snow.

Once again you ladies have stepped up and showed how caring and generous you are. We had a great turnout at the team sew again. There was around 20 quilt tops started and a number of them finished. If you have finished the one that you started, or if you have finished the disappearing 9-patch, please bring them in to show them during our general meeting.

A couple of weeks each month some of the ladies from the St. Martha project will come in to tie the quilts that we have pieced, then we will bind them.

The humanitarian project for June will be pillowcases. We will be donating them to the 1 million pillowcases drive. All of these will stay in our community.

In the month of May we collected 26 lbs. of food for the Care and Share.

We also voted to donate \$500.00 to each of the following charities: St. Martha's baby baskets, Family Support center, The Happy Factory, the Care and Share for the construction of their emergency shelter, and the Baptist Church for their soup kitchen.

The next donations we will do will be in November, so if you have a charity that you would like us to consider, please keep it in mind until then. Again, thanks for all that each of you do.

Liz

LOST AND FOUND.....

In January or February, in one of the classes, Julie Patrick lost a 12 1/2" square ruler. It's one of the yellow Omni grid rulers. She said her name is written under the Omni grid. I know when we are spread out during the classes and then gathering our things together it would be easy to accidentally grab someone else's things. Please look in your supplies and see if you have it. This should be a reminder to all of us, to make sure your name is on everything that you bring to a class.

Janet Dexter is still missing a quilt that someone borrowed in the fall. It is an almost Amish quilt. If you borrowed it and have forgotten to bring it back to her, please do so.

TIPS & TECHNIQUES

It is always advisable to use a specially made fabric marker when marking fabric for quilt-making. If you use a marker that is not intended for fabric then it may not wash off and can spoil the overall appearance of your beautiful quilt.

Depending on the fabric composition, you may choose to use pencils, chalk or water-soluble markers. If at any one time you are unsure, mark a small scrap of the same material, wash and see if you are happy with the results.

2010 CHALLENGE QUILT

2010 CCQG "TEN" Challenge Quilt

Remember all the hubbub about the year 2000? Well, we have finished 2009 and 2010 is here. Will it be two thousand ten, twenty ten, or just ten or maybe oh-ten? It's also the start to another decade (another ten). So, the theme for this year's quilt challenge is...TEN.

This is a simple challenge. There are 10 things to include in your quilt:

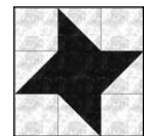

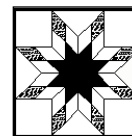

1. A piece of striped fabric
2. A curve somewhere in the quilt (A crooked straight line counts)

We will not be "judging" our quilts this year but we will have the Guild members simply vote on their favorites (1st, 2nd & 3rd).

The idea here is to just have fun and see what your imagination can come up with.

We hope everyone will make a "TEN" quilt this year. What fun that would be!

We will show and share our quilts at the November 11, 2010 monthly meeting. For further information or a copy of the handout, please see Linda Shokrian
