### FROM OUR PRESIDENT...

We just had the Iron County Fair this past weekend. I was able to help the judges with the quilts, and I must say, there are some amazing quilters in our area, with a lot of them being from our guild. I loved seeing the different patterns and fabrics being used. A number of them were so good that the judges had a hard time deciding the sweepstakes winners. I'm glad I wasn't a judge, only a helper.

Last month our Care and Share donations were 47 lbs. Remember to bring a canned good and have a chance to win ½ yard of fabric.

Our big quilt show is coming up next month. We want quilts that haven't been shown in any of our quilt shows. All sizes, from wall hangings to king size quilts. We are also still looking for someone to be in charge of it. You will have a lot of ladies there helping out. We just need someone to be in charge. Ladies thanks for all you do.

Liz

## TIPS & TECHNIQUES

If you want to make a dust ruffle to match the quilt for your bed, use an old contour sheet and put it on your box springs like it was the mattress.

Mark the sheet at the height you want your dust ruffle to hang from. Make sure your quilt will cover the top of the ruffle.

You can permanently attach the dust ruffle, at the right height for your bed, to the fitted sheet or if you apply it with hook and loop tape, ( such as Velcro ), it can be removed and changed when you change your quilt with the seasons.

## 2011 CHALLENGE QUILT

Linda Shokrian will be in charge of our 2011 project.  
**2011 CCQG DOORS Challenge Quilt**

The Challenge Quilt this year is to make a Door Quilt. What is a Door quilt you ask? That's easy. A “door” quilt is any quilt with a door as the focus.

Rules: there are none!

Use your imagination and creativity and make any kind of “door” quilt you want. Quilts may be of any size/type you like, but do need to be finished.

We will not be judging our quilts this year, but we will have the Guild members simply vote on their favorites and cash prizes will be awarded (1<sup>st</sup> place - \$20, 2<sup>nd</sup> place - \$15 & 3<sup>rd</sup> place - \$10).

The idea is to have fun, be creative and see what you can come up with.

What kind of Door are you going to make?

We will show and share our quilts at the September 8<sup>th</sup>, 2011 monthly meeting.

Thank you Linda Dwyer for the idea and the photos of some of the door quilts she has seen. To see the photos in color, go to our website, [www.cedarchestquiltersguild.org](http://www.cedarchestquiltersguild.org) and click on Challenge. They will also be on display at the back table during our monthly meetings.

## HUMANITARIAN

*"Stitched with affection,  
quilted with care. I made you  
this quilt with love to spare."*

### Quilts – General Guidelines

These quilts are going to people who are in need of help. Quality is more important than quantity. Remember this from the beginning when selecting fabrics all the way to the end when finishing the quilt.

Cotton, blend or flannel is best.

Denim or corduroy takes too long to dry and is heavy.

8 oz. Bonded poly batting or cotton batting.

3 or 4 ply yarn should be used for tying. Use double thread of the 3 or 4 ply yarn.

When making the quilt top the seams need to be  $\frac{1}{2}$ " not  $\frac{1}{4}$ " like we are used to.

Ties should be approximately 4 inches apart, and the stitch on the bottom should be  $\frac{1}{4}$ " to  $\frac{1}{2}$ "; smaller than that can pull through.

Square knot or international stitch is preferred.

Binding – Can be done by hand or machine. It can be done by using a  $2\frac{1}{4}$  -  $2\frac{1}{2}$  strip, folded in half and sewn on or you can use the pillowcase method (this method can be used for tying without frames)., With right sides together, lay top and bottom of quilt on flat surface. Lay batting on top, pin and sew three sides. Turn right side out and fold in the open end. Top-stitch around four edges! Sew another row 1" from the edges to secure batting then tie the quilt.
