President's Message "Wanda Davidson"

We had a very good representation from our guild at the Kanab Quilt Show. It was more than I had expected, I thought it was a wonderful show.

A little about myself.....I grew up in Colorado, although I was born in Laramie, Wyo. I've lived in Colorado, Wyoming, Nevada, California, Arizona, Utah and briefly in Oklahoma. I moved to Salt Lake City 40 years ago and moved to Cedar City in 2003 to help my dad and brother settle in, only to have them move back to SLC. I stayed in Cedar City and have been so glad I did. My husband transferred here in 2005; he is still working which gives me the freedom to fabric shop and still have time to hide the fabric before he gets home!! We've been married 35 years, we have three children, nine grandchildren and three great grandchildren.

I hated sewing until I joined the guild in 2009. I'm now loving to sew and have learned so much from all of you. I'm not quite ready to share my quilts, but will get there sometime. I give them away as soon as they're done. As Scott said last month, "Life is Good", thanks to all of you.
~Wanda

Tips and Techniques

Machine Quilting Idea:

~ When machine quilting with your home sewing machine position it to face you vertically rather than horizontally for more room and ease in quilting.

Sunshine and Shadows:

We were so happy to have Ann Johnson with us at the April General Meeting, hope she continues to feel well enough to join us each month.

Humanitarian

May 24th @ Senior Center

“Rag Quilts for Men & Boys” continued.

We still have baby quilt kits out and would like to have those completed and returned as soon as possible.

Note of Interest

~The guild was well represented at the “Relay for Life” cancer walk. A big thank you for everyone’s generosity. The guild was able to donate approx. \$3,000.00 to the Cancer Foundation.
