Presidency Message

"Kim McAllister"

A little about myself. I was born in West Jordan Utah, my family moved to Cedar in 1985. I love Cedar City! In high school I met and married the love of my life and this August we will be celebrating our 15 year Anniversary. I have two beautiful children, Olivia 11 and Greg 7, and a small zoo of pets at home.

In high school I went to Evan Hairstyling College and became a Cosmetologist, and also a licensed Cosmetology Instructor. After years of struggling with shoulder problems I decided I needed a change in careers. So just over five years ago, with long hours, hard work, and a huge leap of faith, "Stitching It Up" was born. Everyone told me that this was not the time to open a store in today's bad economy, but I was committed. It is growing and doing great. Thanks to all of you.

Though I enjoy piecing and quilting, needlework is my love, my favorite quilts will always have some hand work in them. I look forward to spending more time with all of you and helping in any way I can!

Thank you for letting me your Vice President.

~Kim~

Spotlight *"Judy Stolrow"*

Judy grew up in Sothern California. She met her husband Dave during their senior year of High School and were married after two years of college - 48 years ago. They have three daughters, one son, and 12 grand-children, ages 2 to 27; and hopefully great-grand children on the horizon. They moved to Cedar City 19 years ago after Dave retired from the LA City Fire Department.

Judy has always been interested in art. When her children were in school her husband talked her into going back to college. She majored in Art and was intimidated by the professional artists in her class, but stuck with it and got her degree. While soaking up all she could in art studies, she was featured in Art Shows, Art Museums and local newspapers.

She loves sketching, wood burning, knitting, crocheting, Brazilian embroidery, water coloring and quilting. She wants to start doing landscape quilts, and has a couple already formulated in her head.

Judy loves working with children in her church calling, and playing with her young grandchildren, two of whom she babysits 5 days a week. She hopes to stay 'young-at-heart.' She loves to read, (is on her 28th book this year) camping and hiking with her husband. They have backpacked over 1000 miles together in the High Sierras! Now they frequent Mountain Man Rendezvous events all over the West, (Nevada, Utah, Idaho, and Wyo.)

We are so lucky to have her in our Guild. She is always willing to teach which benefits all of us. Just being around her inspires me to be a better quilter.

Humanitarian

June 28th @ Senior Center

1. Many of the baby and rag quilts have not been finished and turned in. Please finish these so they can be distributed to the various agencies.
2. There is a tub in the store room at the Senior Center with quilts marked for tying. If ladies are interested in tying a quilt, a frame could be set up during the meeting. This would also eliminate a tub from the store room.
3. The month of July our goal is to make *dog blankets* which can be made from larger pieces of fabric such as old sheets, towels, blankets and flannel; fabrics which can be easily laundered. The size will be 24" x 24" or 24" x 36". If you have these fabrics please consider donating them to the guild for the dog blankets project.

"Little Quilts All Through the House"

Have fun making *little quilts* and don't worry about perfection! If the seams don't match up and the appliqué stitches show, give the quilt a strong tea bath and tell your friends, "Look at this old doll quilt I made when I was ten years old; we found it in the attic!"
